Wahoo--Wahoo State Bank celebrated Community Banking Month and showed their customers they really appreciate them by hosting an open house on Friday, April 28. Over 450 customers enjoyed hot dogs and ice cream sundaes and all children received a new Nebraska Quarter and balloon. Additionally, in honor of Arbor Day, trees provided by the Lower Platte North NRD were given away as well.

President Greg Hohl indicated that it has worked well to combine Community Banking Month with a Customer Appreciation Day. "We feel that independent community banks like Wahoo State Bank are very important to the economic vitality of their communities and we want to tell the great story of community banking as often as we can. Likewise, it is our customers who make it possible for us to serve our community and we want to acknowledge our appreciation for them as well" Hohl stated.

Wahoo State Bank was founded in 1932 and is a family-owned, full-service community bank serving the financial needs of the Wahoo community.
